

## **Coll & the Cosmos Summer Festival 2016**

Cosmos Planetarium & Coll Bunkhouse presents four days of 'out of this world' space themed activities, great fun for all ages exclusively on the wonderful Isle of Coll in the Inner Hebrides.

### **Planetarium Show: Thurs 28<sup>th</sup> July 6pm – 7pm (over 16's only)**

With dark skies just around the corner we'll give you a guided tour of the astronomical highlights available to see during autumn. The session also includes the spectacular full-dome movie "From Earth to the Universe".

### **'mini' Space Academy: Fri 29<sup>th</sup> July (over 5's)**

If you don't have time to join us for the full weekend, drop your budding astronauts off at An Cridhe to enjoy either a morning or afternoon of fun space themed activities.

Learn all about the hunt for alien worlds in the planetarium with the fun full-dome movie 'We are Aliens' narrated by Rupert Grint. Then decorate and launch bottle rockets and try to land a rover on Mars.

Certificates for all cadets and a prize for the rocket that flies the highest!

Session One 10am – 12.30pm Session Two 2pm – 4.30pm

### **The Main Event: Sat 30<sup>th</sup> / Sun 31<sup>st</sup> July (Families)**

#### **Cosmos Space Academy @ Coll & the Cosmos**

A family version of our popular stargazing short breaks, suitable for all ages, it includes fantastic, fun hands-on activities for the whole family. Spend time in our immersive digital planetarium to see incredible views of the universe. Handle meteorites, launch rockets, land a rover on Mars and even enjoy a ride on a virtual reality space rollercoaster! In July although the skies don't really get dark we can still observe through telescopes - see the Moon, maybe a planet or two and with special filters we can look at the fiery surface of the Sun! Join us on a voyage of discovery.

Certificates for all cadets and prizes for the hands-on activities!

(The full program of activities and timings are available on request from An Cridhe)
